Re: Settlement Distribution Status Update
Iowa Pub. Emps. ' Ret. Sys. et al. v. Bank of Am. Corp. et al., No. 17-cv-6221 (KPF)

Dear Judge Failla,

We write on behalf of Plaintiffs to provide a status update with respect to settlement distribution. *See* ECF 738 at 2.

As explained in Plaintiffs' previous status update, the Settlement Administrator has been performing an intake, audit, and review process of submitted claims forms. This process is onerous but necessary to permit claimants to remedy any defects in their claims before distribution. The completion of the Administrator's review has taken longer than anticipated due to the complexity of the data in this matter: the submitted claims include more than two hundred thousand individual securities (over a thousand of which were likely delisted or merged during the class period) and over two billion rows of transactional data.

Based on the review's status and Administrator's experience regarding the time needed to process defect letters, the Administrator now believes they will be ready for distribution by the end of the second quarter of this year. We propose that, if a distribution motion has not been made by then, we provide a further status update to the Court by June 30, 2026.

Dated: March 31, 2026

Respectfully Submitted,
